

HENDRICKS HERALD

June 1996

FROM THE CHAIRMAN OF THE BOARD

Dear Family Members:

It is with pleasure that I greet you in this edition of the Hendricks Herald. The Family organization has made a lot of progress in the past years in research and in trying to keep the intra-families continuing to hold family reunions.

We have a great heritage of which we should be happy to help foster the family genealogies and family histories. The Henry Hendricks Family Organization is working on the ancestral line of Henry Hendricks. The Intra-family Organizations should be doing the research on their own families. We encourage you to collect information and histories on your intra-family lines.

We commend the William Dorris Hendricks family for their efforts in printing a book of W.D. and his descendants. We recommend that all of the Intra-families do the same. The generations unborn will be grateful for our efforts to preserve the rich heritage of our families for them.

Sincerely Yours,
Don H. Hendricks
